Bismarck -- A winning Powerball ticket purchased in ND for the Wednesday, March 13 draw matched all five white balls, making it worth \$1 million. The winning numbers are 5, 9, 28, 32, 38 and the Powerball is 29.

The lucky ticket was sold at the Cenex Convenience Store, 2019 North 9<sup>th</sup> Street in Wahpeton. The last million dollar winner was sold at the Cenex Convenience Store in Killdeer on April 2, 2011.

To date, the North Dakota Lottery has had 27 Match Five Powerball prizes; however, this winning ticket is the largest sold in North Dakota this year. If a player purchases Power Play for an extra dollar and matches all five white balls, the prize increases to \$2 million.
