TWO MILLION DOLLAR POWERBALL TICKET SOLD IN NORTH DAKOTA

BISMARCK, ND – The Labor Day holiday kicked off with a nice surprise for one lucky ticket holder. A Powerball ticket purchased in North Dakota for the draw last night, Saturday September 5, 2015, matched all five white balls, making it worth \$1 million, and because the Lottery player had added the Power Play feature for one dollar more, the prize doubled, making the winning ticket worth \$2 million. The winning numbers are 10, 16, 18, 29, 45, and the Powerball is 19. Due to security verification, the city and location that sold the winning ticket will be released at a later time.

This is the second Match 5 North Dakota Powerball prize won this year. In January, a \$1 million Powerball ticket was sold at the Horizon Resources Cenex in Williston.

Winners have 180 days from the date of the drawing to claim their prize. “If you have the winning ticket, once your feet return to solid ground, the first thing you should do is sign the back of the ticket. Then, call the North Dakota Lottery office and make arrangements to claim your prize,” said Randy Miller, director of the North Dakota Lottery.
