### **MILLION DOLLAR POWERBALL PICK & CLICK ONLINE PLAY WON IN MCHENRY**

BISMARCK, ND – A Powerball Pick & Click online play ticket purchased in North Dakota for the Saturday night draw, January 12, 2019, matched all five white balls, making it worth \$1 million. The winning numbers are 7, 36, 48, 57, 58, and the Powerball is 24. The Power Play multiplier is 2. The winner, from the city of McHenry, has yet to file a prize claim form.

The lucky ticket was sold through the North Dakota Lottery Players Club® via the Pick & Click online play subscription service. The Pick & Click online play service allows players to buy tickets from home (online) or with the Players Club official mobile app. Players can purchase play(s) for one draw, up to a full year.

“We are extremely excited to have our first million dollar winner via the Pick & Click online play service,” said Randy Miller, director of the North Dakota Lottery. “Pick & Click is a great service in which players never miss a draw or possibly misplace a ticket. Tickets are tracked for players and they are notified of any winnings.” Pick & Click winners of prizes \$600, or more, are contacted by a North Dakota Lottery representative.

The Powerball jackpot for the Wednesday, January 16 draw is \$112 million. For winning numbers and other information, including Pick & Click, visit [LOTTERY.ND.GOV](http://LOTTERY.ND.GOV).
