### **MILLION DOLLAR POWERBALL TICKET SOLD IN KILLDEER**

Bismarck -- A winning Powerball with Power Play ticket purchased in ND for the Saturday, April 2 draw matched all five white balls, making it worth \$1 million. The winning numbers are 6, 22, 34, 43, 45 and the Powerball is 23.

The lucky ticket was sold at Cenex Convenience Store in Killdeer, making it the largest ticket sold to date this year in North Dakota. Cenex also sold a \$10,000 Powerball ticket for the February 9, 2011 draw.

This is the North Dakota Lottery's 26<sup>th</sup> Match Five Powerball prize. If a player purchases Power Play for an extra dollar and matches all five white balls, the prize is always \$1 million regardless of the Power Play number drawn.

"If you have the winning ticket, be sure to sign the back and call the North Dakota Lottery office to make arrangements for claiming the prize," said Randy Miller, director.

The Powerball jackpot for the Wednesday, April 6 draw is estimated at \$218 million. For winning numbers and other information on the North Dakota Lottery, go to [www.lottery.nd.gov](http://www.lottery.nd.gov).
