TWO MILLION DOLLAR POWERBALL PRIZE CLAIMED

Bismarck – The \$2 Million Powerball with Power Play prize from last Saturday's draw was claimed today at the Lottery office in Bismarck. The winner, a resident of Williston who chose to remain anonymous, picked her own numbers and it paid off big. The lucky winner has no immediate plans for the prize winnings as the win has yet to really set in. The winner told lottery officials that she always had a list in her mind of what she would do if she won, but when she found out she was the newest North Dakota millionaire, her mind went blank.

The Powerball jackpot for the Wednesday, September 9, 2015 draw is estimated at \$149 million.
