## POWERBALL WINNING STREAK CONTINUES IN NORTH DAKOTA

BISMARCK – The North Dakota Powerball winning streak reaches three consecutive draws, as two prizes won big with Powerball six-figure wins! Two $150,000 Powerball with Power Play tickets for Saturday night's draw won by matching four white balls and the Powerball. The winning numbers were 22, 27, 44, 52, 69, and the Powerball was 9. The Power Play multiplier was 3.

The lucky tickets were sold at Cash Wise Foods #3045, 755 33rd Avenue East, in West Fargo and Superpumper #80117, 1023 College Drive North, in Devils Lake. The prize was $50,000, but as the winners had also purchased the Power Play option, the tickets are worth $150,000 each. Cash Wise Foods and Superpumper will each receive a $2,000 bonus for selling the winning Powerball tickets. The holder of the winning ticket must claim their prize at the North Dakota Lottery office within 180 days of the draw.

"What an incredible week of draws for North Dakota Powerball players," said Lance Gaebe, director of the North Dakota Lottery. "The luck continued Saturday night, capping a week of big wins. Over half a million dollars was won across four lucky tickets."

The $1.32 billion Powerball jackpot for the Saturday, April 6 draw was won by a single winning ticket in Oregon. The Powerball jackpot for the Monday, April 8 draw has reset to $20 million. For winning numbers and other information, visit LOTTERY.ND.GOV.
