$100,000 POWERBALL PRIZE WON IN JAMESTOWN

BISMARCK – May is here and so is another six-figure win as someone hit it big with Powerball! A $100,000 Powerball with Power Play ticket for Wednesday night's draw won by matching four white balls and the Powerball. The winning numbers were 1, 2, 3, 57, 59, and the Powerball was 9. The Power Play multiplier was 2.

The lucky ticket was sold at Hugo's #9, 310 1st Ave South, in Jamestown. The prize was $50,000, but as the player had also purchased the Power Play option, the ticket is worth $100,000. Hugo's #9 will receive a $2,000 bonus for selling the winning Powerball ticket. The holder of the winning ticket must claim their prize at the North Dakota Lottery office within 180 days of the draw.

"As the temperatures are rising in North Dakota, so are the winnings for lottery players," said Randy Miller, interim director of the North Dakota Lottery. "In addition to this six-figure Powerball win, we've also had a $60,000 Lotto America with All Star Bonus win, a $20,000 Lotto America win, a 2by2 jackpot win of $22,000 and nearly a dozen other prizes, ranging from $1,000 to $5,000, since the start of spring in March."

The Powerball jackpot for the Saturday, May 3 draw is $44 million. For winning numbers and other information, visit LOTTERY.ND.GOV.
