Attention North Dakota Lottery Players,

The North Dakota Lottery is aware that there may be instances of multi-draw 2by2® and Lucky for Life® tickets purchased prior to November 27, 2025, which display an incorrect draw date range. The plays on these tickets were and are entered into the correct number of drawings purchased but the date range printed on the ticket may indicate dates past the last initial purchase end date.

If you have a ticket which displays a draw date range that is longer than the number of draws purchased, please mail your ticket(s) to the ND Lottery office (PO BOX 204, Bismarck, ND 58502-0204) or contact the ND Lottery at 701-328-1574/Toll Free in ND at 1-877-635-6886. We apologize for any inconvenience.
